# Numbers alone can't paint the entire picture, but they do highlight the extent of our efforts.

## Last year at HomeFront...

**25,548 unique individuals** came to us for – and were given – shelter, food, and life-changing assistance.

**3,888 visits were made to our FreeStore** to obtain necessary household items and clothing free of charge.

**118 families with 303 individuals** lived in HomeFront's permanent, affordable, service-enriched housing.

**263 children** made memories to grow on in our year-round Joy, Hopes & Dreams programming of educational and enrichment activities.

**167 families with 401 individuals** received intensive support and were sheltered with dignity at our Family Campus and in our FreshStart housing program.

**5,363 households** called the housing help line seeking assistance with back rent, security deposits, or in need of a more affordable place to live. An average of **447 unique individuals per month**.

**181 families were able to stay in** their homes or pay security deposits to acquire decent housing through our emergency housing assistance programs.

**1,940,462 diapers and baby wipes** were distributed through our Diaper Resource Center, a 39% increase from last year.

## What We Believe

Our Five Core Beliefs provide the framework for everything we do to provide meaningful support to families in crisis:

- We believe that families deserve safe, secure housing.
- We believe that with the right tools, all families can succeed.
- We believe that families need basic necessities to live lives with dignity.
- Personal wellness - whether physical, mental, or emotional - is critical to ensuring thriving families.
- Children that are nurtured with love and support can grow on a path to realizing life's possibilities.

Dear HomeFront Supporter,

Earlier this year, I was standing in the parking lot at the HomeFront Lawrenceville Campus, our main office and home to our food pantry, warehouse, housing crisis intervention team, children's programs, and more. As the numbers on the left side of this page clearly illustrate, the demand and need for our services feels ever growing – just as one family completes the path from crisis to stability, another family is walking through our front door, small children in tow.

As you might know, we renovated and expanded our Lawrenceville Campus space recently to enhance and expand our family support services and meet this growing need. That day in the parking lot, I sat back and watched dozens of families unloading from the local bus line, doubled and tripled up in shared car rides to our pantry, or arriving from long walks to visit our housing crisis team.

Next to our busy entrance was a blank wall, a remnant of the renovation, slightly overlooked in our design planning. The blank wall felt empty and cold, a stark contrast to the spirit of the families coming in to seek our help and walking out after being touched by our services. Even in their time of need and incredible challenge, joy was walking in and out of that door: young children learning to talk and crawl with a new book in their hands, moms grateful to be able to keep a few dollars in their pocket because they received food and diapers to last the rest of the month, and dads breathing a sigh of relief that they'd gotten help avoiding an eviction that would disrupt their family.

Contrasted with the spirit of the families, the blank, flat wall was out of place. It had to go.

A few weeks later, after a few phone calls of dreaming with Trenton artists Leon Rainbow and Busta, the blank wall became a canvas. On the front of this report, you can see the gorgeous mural that now occupies the space, a testament to the families fighting every day to support themselves and build a better life for their children.

When a family comes to HomeFront for the first time, sometimes they tell us they feel like the blank wall: bleak, hopeless, and flat. We dream of a world of full color for every family: vibrant, joyful, thriving, and hopeful. The support you provide to HomeFront makes this possible. As you will see in these pages, your support powers over 30 different programs that support families on the path from crisis to long-term stability. We rely on the community – your donations, your volunteer support, your inspiration, your advocacy – and we are honored to be a conduit for this community's caring.

From the HomeFront team and all the families we have the privilege of serving, thank you for your caring. Your caring is the magic that can bring a blank wall to life.

HomeFront CEO

**HomeFront's mission** is to end homelessness in Central New Jersey by harnessing the caring, resources and expertise of the community.

We lessen the immediate pain of homelessness and help families become self-sufficient.

We work to give our clients the skills and opportunities to ensure adequate incomes and we work to increase the availability of adequate, affordable housing.

We help homeless families advocate for themselves individually and collectively.

# Families Deserve Safe Secure Housing

**Vanessa's story:** When Vanessa lost her home in a fire, "Everything was gone. It was a total loss." HomeFront helped Vanessa and her three children first by housing them in an apartment, then moving the family into a permanent residence. As Vanessa says, "They didn't stop there; they furnished our new home, stocked our kitchen with groceries, and made sure my kids had toys... It seemed too good to be true... Thanks to them, I've been able to provide a stable environment for my children to thrive. HomeFront has given us not just a new home, but a fresh start—a chance to rebuild our lives."

**Maria's Story:** Maria was referred to HomeFront in danger of losing her apartment, after falling behind on her rent. She had suffered a work-related injury, leaving her unable to work, then faced obstacles in receiving workers' compensation or other benefits. A mother of two daughters, one with a significant developmental disability, and desperate to make ends meet, she tried too soon to get back to work, only to aggravate her injury.

After receiving her referral on the morning of her lockout, HomeFront swiftly intervened. By day's end, HomeFront staff had successfully negotiated with her landlord, getting Maria back into her home and providing her family with stability. Maria continues to recover and has regained the capacity to earn sufficient income to cover her rent going forward.

# With the Right Tools, All Families Can Succeed

**Karla's Story:** Karla was referred to HomeFront's Hire Expectations to pursue her High School Equivalency Diploma. The program orientation process revealed Karla and her family were in a motel after being evicted and that Karla needed childcare to fully participate in Hire Expectations. HomeFront's Atkinson Child Development Center welcomed her toddler daughter into their program and Karla's HomeFront case manager helped her secure an affordable apartment and assisted in furnishing it.

Karla has now earned her High School Equivalency Diploma and continues to work with the Hire Expectations team for employment assistance and post-secondary education opportunities. Reflecting on her journey, Karla expressed profound gratitude, acknowledging that the program helped her gain confidence in herself. "I am able to properly provide for my family and it's only up from here!"

**Patricia's Story:** Patricia, a single mom, joined Hire Expectations in January 2023, determined to pave a better path for herself and her family. She set her sights on the ambitious goal of obtaining her CDL, a journey marked by several hurdles. Patricia persevered, and her exceptional determination and aptitude quickly caught the attention of both trucking instructors and students alike. Remarkably, she completed the course in just three weeks, half the usual time, and passed her test on her very first attempt. The trucking company asked Patricia to return as an instructor after gaining the required two years of experience! Most importantly, Patricia now has a position that allow her to gain financial freedom and stability for her family.

*"My experience with Hire Expectations was higher than I expected! I didn't know what was going to happen, but my expectations have been exceeded. I am able to properly provide for my family and it's only up from here!"*

# Families Need Basic Necessities to Live Lives With Dignity

*“After losing my job, money was very tight for my family. My grandkids live with me and I refused to let them suffer or go hungry the way I did when I was their age. For the first time in my adult life, I had to ask for help and I’m just grateful I was able to find HomeFront. The baby has diapers, my granddaughter has school supplies, and I have ingredients to make meals that are nutritious.”*

— VICTORIA

*“HomeFront has been my oasis for several years now. What gravitated me to HomeFront was the word ‘Home’. Growing up I never truly had a place that felt like home. I’ve known people who lived at the shelter with their kids and are now stable and thriving. I’ve relied on visits to the food pantry and FreeStore to find clothes and household items for myself and my grandchildren. They always treat me with respect and are always happy and kind. It’s hard to get by these days and I’m thankful for all of the support.”*

— LATOYA

**Marcella’s Story:** “After losing my husband; my son and daughter-in-law [and their kids] moved in...to help with my special needs brother. Financially, we struggled to feed six people under one roof...HomeFront was the only place that went above and beyond not with just groceries, and other items for our house, but their kindness. They have helped us save money so we can pay our other bills on time.”

*“There are a lot of experiences I wouldn’t have been able to obtain if it wasn’t for the Joy, Hopes & Dreams program. HomeFront helped me and my family and they changed my life for the greater good. I’m also forever grateful for the tutoring program because it has helped me with everything school related, from math, science, English, Spanish, social studies, projects and more! If it wasn’t for the consistent encouragement from all the staff, I don’t know where I would be academically. I got Student of the Month for the first time in over 3 years! Just last year I settled for less and didn’t have high expectations of myself. I wasn’t doing good mentally, but I would come to JHD and my life would lighten up, like the sun and rainbow after a thunderstorm.”*

— SASHA, FORMER JOY, HOPES & DREAMS PARTICIPANT

**Rick’s Story:** Shortly after Rick moved into our emergency shelter, he sought childcare enrollment for his daughter, Marisa, as he had recently gained full custody. Despite Rick’s own challenges and Marisa’s tumultuous past, their dedication was evident.

With support from our Literacy Specialist, Marisa swiftly progressed academically. Marisa thrived in the Atkinson Child Development Center, radiating love and creativity, while Rick found solace in painting and community support. As her preschool journey culminated in a heartfelt graduation celebration, the transformation in Rick’s demeanor mirrored Marisa’s blossoming confidence. Their journey, marked by perseverance and love, culminated in a new beginning as they left the celebration to spend their first night in their new apartment, their new home.

## Joey’s Story/Children’s Champion:

When Joey, his brother and father arrived at HomeFront’s emergency shelter, they had already missed the first month of school. With help from their Children’s Champions, Joey and his brother were re-enrolled in school and attempted to catch up with their peers.

Joey initially faced significant challenges with reading upon his return. Under the guidance of our Literary Specialist in the after-school tutoring program, Joey embarked on a transformative journey. In just two months, he progressed from struggling with second grade level words to confidently reading sixth grade level texts. His newfound proficiency in reading ignited a passion for the subject, and Joey eagerly looked forward completing his homework each day.

# Personal Wellness – Physical, Mental, and Emotional – Is Critical to Ensuring Thriving Families

*“I’ve been through a lot in my life and ArtSpace was the place I healed the most. Just being allowed and guided to express myself in a tangible way has made everyday so much easier for me. ArtSpace and the wonderful volunteers have truly changed my life.”*

— NINA, ARTSPACE PARTICIPANT

**Carina’s Story:** The Sewing Space team is diligently working on establishing a new entity known as the Sewing-Space Production Team under HomeFront’s SewingSpace initiative. This endeavor aims to nurture a sewing business that empowers participants of the SewingSpace program. Nine women who have completed beginner and intermediate sewing classes have come together to form the Sewing-Space Team with the goal of launching a micro-enterprise. Initially, the focus will be on producing a select range of products committed to quality craftsmanship. Subsequently, the team plans to expand its offerings to include alterations sewing services. Regular bi-weekly meetings are held to deliberate on strategic approaches, identify opportunities, and address challenges. All in the effort to teach the entrepreneurship spirit.

**Jon’s Story:** When two-year-old Jon and his twin sister, Jill, arrived at our emergency shelter with their mother, Jon was notably smaller than his sister and unable to sit up. His mother attributed his condition to an eating disorder that hindered his ability to consume solid foods. Concerned, shelter staff sought assistance from the Health and Wellness staff, where the team referred Jon to a doctor. Following the doctor’s evaluation, Jack was promptly referred to a specialized pediatric team with a diagnosis of Failure to Thrive. Admitted to the hospital for comprehensive testing and weight gain support, he remained in the hospital until he began showing signs of weight gain and enhanced strength. Upon discharge, Jon continued outpatient therapy, where additional medical needs were addressed. His mother juggled numerous appointments to ensure he received proper care, witnessing his gradual improvement. Upon securing their own apartment, Jon exhibited newfound strength, taking a few steps with his mother’s support, to her profound gratitude.

# HomeFront, Inc. Audited Statements of Financial Position Year Ended September 30, 2023

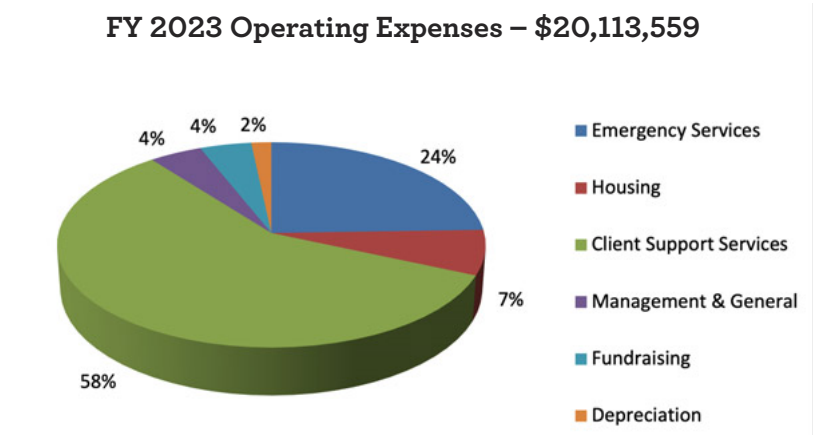

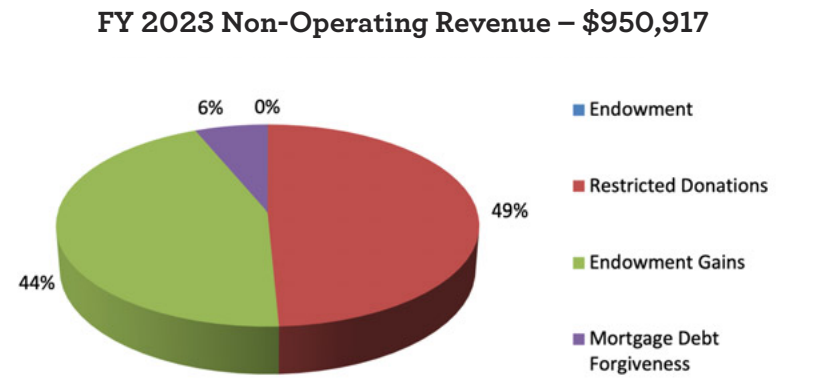

As has been our mission over the past 33 years – through our tireless staff and dedicated volunteers – HomeFront has continued to provide safe and secure housing, tools for success, basic necessities, and a nurturing environment for vulnerable children and families in Mercer County.

Although the COVID pandemic came to an official end in 2023, longstanding challenges such as affordable housing persist throughout the state and country. Yet, community members remain committed to HomeFront's audacious mission to end homelessness through financial and in-kind donations, as well as sharing expertise and time as volunteers. Through the generosity of individual donors, government agencies, businesses, and foundations, HomeFront invested more than

\$18,000,000 – an increase of thirty-three percent since 2020 – to provide housing, emergency services, and client support. For fiscal year 2023, independent examiners confirmed our adherence to generally accepted accounting principles in another clean audit. Additionally, Charity Navigator recognized HomeFront with its highest overall rating – 4 stars – and a 100% score for key accountability and financial metrics, tax form disclosures, and administrative policies. As we look ahead, we plan to invest further in services to ease the trauma and stress of homelessness, while providing resources for families to live life with dignity and self-sufficiency.

– Marvin Pannell, Chief Financial & Administrative Officer

**ON THE COVER:** We are excited to share that local artists Leon Rainbow and Busta brought their incredible talents to our expanded Lawrenceville Campus at 1880 Princeton Avenue with this stunning mural. Crafted to warmly welcome the families we support, the mural stands as a vibrant symbol of our commitment to those who visit us for essential resources such as groceries, diapers, and period products, as well as our homelessness prevention services. This expansion significantly enhances our capacity to meet the growing needs of our community, allowing us to support even more families in their time of need.
