ANNUAL IMPACT REPORT
FY 2019-2020

Good News, Hope & Optimism in the Midst of Difficult Times

Most of the numbers that we have seen constantly scrolling in the news feeds over the last year have been about death and loss – the number of COVID-19 deaths, new cases, and jobs and businesses lost. Numbers that signify endings.

The numbers in the pages of this Annual Impact Report are different. They are about hope – hope and achievement in the face of unprecedented challenges. The joy on the faces in these pictures is not diminished but heightened by challenges overcome. These numbers are about beginnings.

This year, this Impact Report is dedicated to our extraordinary HomeFront staff, the community volunteers, donors and all those who found a way, day after day, in this historic moment, to achieve these numbers, one person at a time.

A Note From Connie's Desk

Friends,

My letter to you this year is about determination, the "secret sauce" that has powered the daily operations at HomeFront over the past twelve months. It is about a trial by fire that brought our mission into even sharper focus, inspired our staff and board of directors in unexpected ways and highlighted the lasting impacts of our volunteers and donors, who do truly save lives.

When the statewide COVID-19 lockdown was ordered last March, the HomeFront Family Campus was locked down as well. Families who were there could no longer leave and families who were becoming homeless could no longer come. Seemingly overnight, we needed to create two separate and comprehensive protocols to keep the Campus families, and the growing number of families who were now in welfare motels for extended stays, safe and sustained. Everything had to be quickly retooled for both groups; food delivery, education, case management, and health. Our delivery systems were further challenged as many of our fabulous army of volunteers were unavailable.

However, we were determined, and we prevailed, thanks to the courage and creativity of the HomeFront staff, the wisdom of our board of directors and the generosity of our family of donors. The impact of our donors has really come to the forefront this past year as we faced huge unbudgeted demands brought about by the pandemic. We have opened a third location at our FreeStore for distributing food bags and basic hygiene kits to service lines that are consistently three times what they were in the past. Job losses brought about by the pandemic brought the terror of hunger to a whole new population of independent and hard-working people, including numerous house cleaners who are no longer allowed in their clients' homes.

And, of course, much more food had to be purchased as there are no corporate or school food drives in this time of remote everything.

Private donations also helped us do what needed to be done in the face of significant upheavals in our financial structure. Since we were unable to bring new families into the HomeFront Family Campus, we lost the county per diem that we would have received for them. In addition, since COVID has caused a financial crisis at the State level, several legacy grants on which we have depended as part of our financial base for many, many years, have been cancelled. And still, we have been determined and we are meeting the need.

It is impossible for anyone to plan for what the coming year will bring, but I am sure of one thing. Thanks to the people listed on the pages of this report, we will emerge from this moment stronger than ever and ready to move forward.

Sincerely,

Connie Mercer, Founder & Executive Director

We are bracing for the hundreds of local families that will need support once the eviction moratorium is lifted. Last year, 151 families received emergency housing assistance to keep them in their homes or to pay security deposits to acquire decent housing.

2,080

Over 2,080 visits were made to our FreeStore to obtain necessary household items and clothes free-of-charge.

147 children made memories to grow on in our year-round Joy, Hopes & Dreams programming with educational and enrichment activities.

“HomeFront has been a life-saver for me. Not just a safe place, it has been housing; it has been childcare. It has been comfortable nights and me seeing my children smile. HomeFront gives you a chance to start over. It gives you a new beginning.”

413,568 diapers and baby wipes were distributed through our Diaper Resource Center.

209 families with 219 children received intensive support and were sheltered with 219 dignity at our Family Campus and in our FreshStart housing program.

Every day we witness the spread of hope, the spread of good deeds and acts of kindness. Especially during a pandemic, but anytime, this is the sustenance that you provide to us.

This is what nourishes our soul, keeps hearts beating and plants the seeds for dreams that might otherwise seem impossible.

This is how we see you – our donors, volunteers and our community. And for this, we are forever grateful.

“HomeFront has been a partner to Womanspace for so many years that I can't imagine doing this work without them. There is not a situation that arises that Connie and her team are not prepared to address and address successfully. It is their generosity, sharing of their talents and the belief that working together in the community will result in the most successful outcome that continues to have them shine as leaders in the community of non-profits. HomeFront is nothing short of exceptional.”

Our “Building A Stronger Future” endowment campaign aims to ensure HomeFront can grow and be resilient for years to come, even in the face of economic downturns, shrinking government budgets, or future realities we cannot anticipate. We have raised over \$3,500,000 of our goal of \$5,000,000 thanks to these very special individuals.

We are extremely grateful for over \$5,370,000 worth of goods and services given throughout the year by churches, corporations, civic groups and private citizens. These goods - furniture, appliances, automobiles, computers, clothing, food and toys and critical *pro bono* services - enrich the lives of countless families.

We are also grateful to the 2,122 donors who gave under \$100 for a total of \$89,964. All donors are listed online at homefrontnj.org. Every effort has been made to ensure the accuracy of these lists. Please direct any questions or concerns to the Development Office at 609-989-9417 x107.

HomeFront, Inc. Audited Statements of Financial Position Year Ended September 30, 2019

During 2019, our dedicated staff continued the fight against homelessness in Mercer County. We maintained our steadfast commitment to provide safe and secure housing, tools for success, basic necessities, and a nurturing environment for children.

The incredible support of our community has been invaluable in helping HomeFront provide a critical array of services to those who are most in need. The generosity of the many individuals, businesses, foundations, churches and congregations, schools and government agencies enabled us to invest more than \$12,675,000 to allow our families to live with dignity as we work with them to break the cycle of poverty over the year.

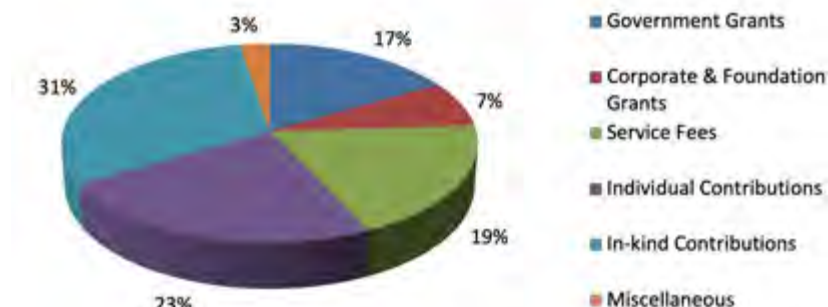

For 2019, our independent auditors again issued a clean opinion. We maintained a 4-star Charity Navigator rating while ensuring that more than 90 cents of every dollar received is spent supporting the families we serve.
