Thank you so much for supporting HomeFront's annual Back to School drive. The first day of school can be hard – especially for students affected by poverty and homelessness. Your support allows our kids to start the school year off with the tools they need to thrive in the classroom and beyond.

Sincerely,

The Back to School Drive aims to give each child under our care the supplies that they need to thrive in a new school year. When you choose to sponsor a child, you will be given a set list of items needed for their individual backpack. As well, each child's list will establish whether they need a back to school outfit or a new uniform and the sizes of clothing and shoes that they wear.
